Session 1 June 12-30, Session 2 July 10-28

Fifth Grade

Catalog of Summer School Classes And Activities
Diane Winker, Summer School Coordinator
Registration Due March 10 to your school office!

This catalog contains the Summer School course offerings for the students in fifth grade. There is a wide variety of opportunities in curricular areas such as Reading, Math, and Science. Also many enrichment opportunities are offered. Please read through the course listing carefully before making your choices.

Registration

Please indicate your choices on the registration form, found on the last page of the catalog. Select classes based on the grade your child **completed** this year. Return the registration form to your child's school office as soon as possible, as some classes have limited enrollment. Please be sure to select alternate classes where available. Students will be placed in classes with limited enrollment in the order in which their registration forms are received at school. Forms are due to your child's school office by March 10. Any additional submissions received after March 10th will be considered depending on available space.

Transportation

Transportation will be provided from Lyndon Station Elementary June 12 - June 30 and July 10 - July 28. Students will be dropped off Mauston High School prior to 8:00 am. Students will be returned to Lyndon Station following the dismissal of classes at noon and lunch. Pick up will be at 7:20 am and drop off will be at 12:45 pm at Lyndon Station Elementary School. Otherwise, transportation is the responsibility of the family. The bus to/from Lyndon Station Elementary is the only bus.

Class Location

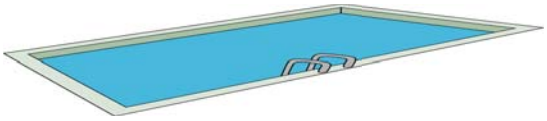
Classes will be held at Mauston High School unless otherwise noted.

Summer Breakfast and Lunch Program: June 12 - June 30 and July 10-July 28.

Free breakfast and free lunch will be offered each day of Summer School. All students age 18 and younger residing in the Mauston School District are able to get free breakfast and free lunch each day. There are no forms to fill out. According to the guidelines of the grant, students must eat their meals in the lunchroom. They **cannot** "take it to go"! Lyndon students will have the opportunity to eat lunch before the bus leaves to take them back to Lyndon Station Elementary.

Confirmation of Classes

A letter will be sent home with your student in early May confirming your child's Summer School classes. If you wish to drop a class, please call Diane Winker, Summer School Coordinator, at (608) 847-5616 ext. 2218.



Olson Middle School Swimming Pool

The OMS pool is happy to bring back swimming lessons to students of all ages. We are looking to offer a morning session from 9am-noon and another afternoon session from 3pm-6pm. Lessons will run in three separate sessions for each month of the summer. Parents and students can sign-up during the month of May. Look for details about sign-up and registration for swimming lessons or swimming team either on the OMS pool facebook page as well as the OMS community pool webpage at http://www.maustonschools.org/parents/pool.cfm. Flyers will be sent home to all students in grades K-5 during the month of May with a more detailed schedule.

For more information on other opportunities, please contact the Pool Director, Kyle Ewing: kewing@maustonschools.org.

Summer School Course Descriptions

SESSION 1 (June 12 - June 30)

ELEMENTARY LEVEL ENRICHMENT COURSE DESCRIPTIONS

Below are the course descriptions for each of the courses being offered during the first session, listed by the subject area. New courses for this summer are designated with *NEW* by the title.

Reading Enrichment - Session 1

 # R05 Percy Jackson Book Club Grades 3, 4, 5 9:00 am - 10:00 am

Students will read and share excerpts from Rick Riordan's books as well as learn about mythological characters and Ancient Greece. We will prepare projects and reports based on the information learned.

Math Enrichment - Session 1

 # M04 Math Game Time Grades 3, 4, 5 8:00 am - 9:00 am

Math is more than just classroom work. It can be a fun, educational experience of interacting with other students while reinforcing the basic math skills through Everyday Math games, board games, card games, Internet/iPad, and outdoor activities.

 # M05 *NEW* The Science of Math Grades 3, 4, 5 11:00 am - 12:00 pm

In this STEM based course, we will combine life science with gathering data. We will visit a stream to gather aquatic data (speed of water current, temperature, etc.) to explore real life math problems.

Science Enrichment - Session 1

 # S05 Exploring The Ocean Grades 4, 5 10:00 am - 11:00 am

Through hands on activities, stories, and technology, this class will explore some of the interesting aspects of the ocean.

 # S06 Aquatic Wild Grades 3, 4, 5 11:00 am - 12:00 pm

We will explore how wild animals get water, why the wetlands are important to wildlife and humans, and the functions of the wetlands. We will go on a water safari, and see if we can trace the foods we eat back to an ocean, river, lake, or even a salt marsh.

Fine Arts Enrichment - Session 1

 # A03 Ceramics - 02 Grades 3, 4, 5 8:00 am - 9:00 am

In this course, students will explore the many ways to use clay. They will create a wide variety of art works.

 # A04 Drawing - 02 Grades 3, 4, 5 10:00 am - 11:00 am

Students will explore different drawing media and subjects. They will use charcoal, colored pencils, marker, oil pastel, and pastel chalk. We will create a variety of art works including portrait and animal drawings.

 # A07 Musical STEM - 02 Grades 3, 4, 5 8:00 am - 9:00 am

Where children get the chance to use science, technology, engineering, and math to create and play musical instruments.

Foreign Language Enrichment - Session 1

 # L03 **Spanish is Fun! - 02** **Grades 3, 4, 5** **9:00 am - 10:00 am**

¿Hablas espanol? You soon will! In this class, students will learn Spanish through games, activities, and conversation. You will learn about likes/dislikes, weather, colors, animals, and lots more!

Health Enrichment - Session 1

 # H03 **Fitness and Fun** **Grades 3, 4, 5** **10:00 am - 11:00 am**

If you like movin' and groovin', this is the class for you. We'll be playing games and doing activities that will help you get physically fit while working on teamwork and having fun. You will also learn some healthy eating and lifestyle habits.

 # H04 **Kids On The Move** **Grades 3, 4, 5** **11:00 am - 12:00pm**

Let's get active! learn about the importance of exercise and health. We will work within the three elements of fitness: strength, endurance, and flexibility through aerobic and anaerobic exercise, games, obstacle courses, as well as stretching activities.

Technology Enrichment - Session 1

 # T01 **Learn Coding With Robots 01** **Grades 3, 4, 5** **9:00 am - 10:00 am**

Robotics, video games, and online gaming sites are created through computer programming also known as coding. In this class will learn simple programming language as well as drag and drop programming. You will be using coding sites, coding programs and Spheros to practice your coding skills. If you enjoy challenge then this class is for you.

#T02 ***NEW* Keyboarding** **Grades 2, 3, 4, 5** **8:00 am - 9:00 am**

This course provides an opportunity for students to learn and practice keyboarding,proper hand positions, speed, and accuracy skills while having fun.

#T04 ***NEW* Digital Photography Basics - 02** **Grades 3, 4, 5** **9:00 am - 10:00 am**

Interested in taking photos? Learn the basics of digital photography as well as photography basics, such as framing, lighting, exposure. Along with how to take photos, we will learn how to manipulate photos using editing programs.

Daily Living Enrichment- Session 1

 # D04 **Cooking Around the World ** 2 Hour Course**** **Grades 3, 4, 5** **10:00 am - 12:00 pm**

Do you like to cook or would you like to learn to cook different types of food? Students will learn basic cooking skills. Students will work together to follow a simple recipe. They will make and sample favorite dishes, snacks, or desserts from different countries around the world.

End of Session 1 Elementary Courses

Session 2 (July 10 - July 28)
Elementary Course Descriptions

Below are the course descriptions for each of the courses being offered during the second session, listed by the subject area. New courses for this summer are designated with *NEW* by the title.

Reading Enrichment - Session 2

 # R14 *NEW* The Art of Writing Grades 3, 4, 5 11:00 am - 12:00 pm

Do you want your child to develop or expand their love of writing while building greater confidence? Learn strategies and tricks to make writing fun and more creative? Explore all types of writing including narratives, fictional stories and poetic techniques. Learn to construct more complex sentences through the use of specific questioning. Word choice, including the use of adjectives and adverbs will be developed and strengthened along with the use of pictures and their surroundings to develop greater sensory word vocabulary.

Math Enrichment - Session 2

 # M14 Money, Money, Money Grades 3, 4, 5 9:00 am - 10:00 am

Do you know how to make change? Have you ever gone shopping with your own money? Do you have a savings account? It's fun to spend money, but it's also important to make wise choices about the money you have. We will learn how to spend and to save wisely. We also see what the money looks like in other places of the world.

 # M15 Math Game Time Grades 3, 4, 5 10:00 am - 11:00 am

Math is more than just classroom work. It can be a fun, educational experience of interacting with other students while reinforcing the basic math skills through Everyday Math games, board games, card games, Internet/iPad, and outdoor activities.

Science Enrichment - Session 2

 # S15 Recycled Inventions 03 Grades 3, 4, 5 8:00 am - 9:00 am

Interested in taking apart items, or making something new from something old? This is the course for you!

 # S17 *NEW* Zoob Challenge 02 Grades 3, 4, 5 8:00 am - 9:00 am

Do you like to build things? Do you like to solve challenges? We will build a catapult, zip line, trampoline, and more in this action packed class! New for grades 3,4,5!

Social Studies Enrichment - Session 2 (3-5)

 # SS11 Wild About Wisconsin! Grades 3, 4, 5 10:00 am - 11:00 am

Did you know that Hammerin' Hank Aaron began and ended his baseball career in Milwaukee, WI? Is it true that Prairie du Chien, WI, was once known as a national Pearl Capital? Learn some interesting and unique things about our state. We will create projects to show what we are learning. From Abbotsford to Wisconsin Dells, we will have lots of fun exploring places around our great state!

 # SS12 Wild About Our World! Grades 3, 4, 5 11:00 am - 12:00 pm

There are so many incredible and cool things about this planet we live on. Let's discover them together! Find out about other countries' customs, animals, and plants. We will create projects to show what we are learning. We will have lots of fun exploring how other cultures are similar and different to life in the Mauston area.

Fine Arts Enrichment -Session 2

 # A13 Painting - 02 Grades 3, 4, 5 9:00 am - 10:00 am

There are many different types of paint. The students in this course will use tempera, acrylic, and watercolor paints to explore a variety of subject matter.

 # A16 Basic Scrapbooking - 02 Grades 3, 4, 5 11:00 am - 12:00 pm

Do you have pictures that tell a story? Students will create a simple paper scrapbook with pictures of you, a trip, your family, or an event you want to remember. You will learn to organize, trim, and matte pictures, journal to help your pictures tell the story, and decorate your book. You will need to supply 12-20 pictures on a similar topic. You may need to supply some basic scrapbooking decorations and supplies.

 # A17 Voice Lessons **2 Hour Course Grades 3, 4, 5, 6, 7, 8 8:00 am - 10:00 am**

This is a class for beginners and advanced students. We will learn popular and choral music. Join us as we learn to sing as an individual and as a group. Develop your skills to become the next contestant on the Voice.

 # A18 Summer Musical ** 2 Hour Course Grades 3, 4, 5, 6, 7, 8 10:00 am - 12:00 pm**

A class for all musical performer wannabe's! This class will teach you how to audition, practice, and perform in a musical. You will act, sing, create the set, and perform for an audience. Everyone will have a part in the musical. This will be a fun learning experience, and we will show off our skills with a performance for family and friends at the end! This year we will be performing: **Abracadabra Aladdin!**

Health Enrichment - Session 2

 # H14 Kids On The Move 02 Grades 3, 4, 5 9:00 am - 10:00 am

Let's get active, learn about the importance of exercise and health, and set and reach goals! We will challenge and improve upon the three elements of fitness: strength, endurance, and flexibility through aerobic and anaerobic exercise, games, obstacle courses, as well as stretching activities.

Technology Enrichment - Session 2

#T11 *NEW* Keyboarding Grades 2, 3, 4, 5 10:00 am - 11:00 am

This course provides an opportunity for students to learn and practice keyboarding,proper hand positions, speed, and accuracy skills while having fun.

Foreign Language Enrichment - Session 2

 # L13 Spanish is Fun! - 02 Grades 3, 4, 5 11:00 am - 12:00 pm

¿Hablas espanol? You soon will! In this class, students will learn Spanish through games, activities, and conversation. You will learn about likes/dislikes, weather, colors, animals, and lots more!

Daily Living Enrichment - Session 2 (K-5)

 # D11 Caring For Animals - A **2 Hour Course Grades K, 1, 2, 3, 4, 5 8:00 am - 10:00 am**

Students will learn to respect and show appropriate care of animals in our world. They will learn about common household pets, unusual pets, and animals that live wild around our area.

 # D12 Caring For Animals - B **2 Hour Course Grades K, 1, 2, 3, 4, 5 10:00 am - 12:00 pm**

Students will learn to respect and show appropriate care of animals in our world. They will learn about common household pets, unusual pets, and animals that live wild around our area.

 # D16 Needlework **2 Hour Course Grades 3, 4, 5 10:00 am - 12:00 pm**

This class will teach you basic sewing skills and other needlework crafts, perhaps crocheting, knitting, or basic quilting techniques.

 # D17 Home Alone Grades 3, 4, 5 10:00 am - 11:00 am

Are you sometimes home alone? Do you feel safe while home alone? What do you do while home alone? This class will help the child gain confidence and responsibility in decision making and actions while home alone. The students will practice skills to acquire this responsible behavior, like Internet safety, simple cooking, answering the phone, etc.

 # D16 Chow Time! **2 Hour Course Grades 3, 4, 5 10:00 am - 12:00 pm**

Learn to make some easy recipes for snacks and simple dishes. You will have a cookbook to take home at the end of the session.

 # D17 From the Garden To the Kitchen Grades 3, 4, 5 9:00 am - 10:00 am

How do you save produce from your garden to enjoy in the winter? In this class, we will turn the strawberries into jam, the zucchini into chips, and the cucumbers into pickles. We will make salsa and much more! By following simple recipes, we will eat and preserve our produce from the Grayside Garden.

End of Session 2 Elementary Courses

Support Courses for Reading and Math

**** The following Reading and Math courses are offered <u>only by referrals from the student's teacher</u>, based on student achievement measures, classroom data, and teacher recommendation.**

Does your student need extra support with Math Concepts or Reading Skills? We can give them what they need to be successful in Reading and Math next school year. These courses will help students with the concepts <u>they</u> need, and <u>their</u> level. Our teachers will work with small groups to give students just what they need to achieve their goals in Reading and Math!

Reading and Math Classes for Grades 1-5 will be held for **All 6 Weeks** of Summer School, From June 12 - June 30 and July 10 - July 28. There will be **no** classes July 3-8. All courses will be held at the Mauston High School.

Course Number	Course Title	Course Time	Course Dates
WR5	Grade Five WIN Reading	9:00: am - 10:00 am	June 12 - July 28
WM5	Grade Five WIN Math	8:00 am - 9:00 am	June 12 - July 28

Additional Summer Offerings

These activities are offered outside of the summer school session. Please see descriptions on who to contact for more information.

<u>Instrumental Music Instruction</u> **Grade 5** **TBA**

Band lessons for incoming 6th graders are a three week program, starting in late July and ending mid-August. They occur daily, Monday-Friday, for one-half hour in the OMS Band Room or at Lyndon Station Elementary School for those students that live in the Lyndon area. These lessons are mandatory for participation in 6th Grade Band during the school year.
