

School District of Mauston

Employment Opportunity

Job Title: Math Teacher

Posting Date: 4/11/2017

Location: Olson Middle School

Grade Level(s): 6-8

Anticipated Start Date: 2017-2018 School Year

Hours of Work (% FTE): 1.0

License/Certification Required: Valid Wisconsin DPI License, Math (1400) preferred; may accept K-8 (1083, 1088).

Job Description:

The School District of Mauston is seeking candidates for a Mathematics teaching position at Olson Middle School beginning the 2017-18 school year. At Olson Middle School, mathematics is taught in a block with built-in time for teacher collaboration on a daily basis. The successful candidate will understand current practices and methodologies in teaching mathematics, and seek to implement those practices in the classroom.

Qualifications:

In addition to being licensed, candidates must be able to communicate effectively with students and parents using the most current technologies. Candidates must be able to maintain a safe, respectful classroom environment, make a positive and substantial contribution to the school and district, and assume a leadership role with colleagues. Knowledge of PBIS, Math Workshop, personalized learning, and STAR are a plus. Advisor and coaching positions are available as well.

Apply via WECAN at <https://wecan.education.wisc.edu/#/> Vacancy Id: 6315

Deadline for Application Materials: Until filled

HR Contact: Brian Bauer-Middle School Principal, (608) 847-4410 ext. 3341

District Website: www.maustonschools.org

Olson Middle School is a school of about 325 students located on the Grayside campus in Mauston. Mauston is located midway between Madison and Lacrosse on I90/94 and within minutes of both Castle Rock and Petenwell Lakes area.
