# Eagle Exploration!

## Session 1 June 12-30, Session 2 July 10-28

## Second Grade

Catalog of Summer School Classes And Activities Diane Winker, Summer School Coordinator <u>Registration Due March 10 to your school office!</u> This catalog contains the Summer School course offerings for the students in second grade. There is a wide variety of opportunities in curricular areas such as Reading, Math, and Science. Also many enrichment opportunities are offered. Please read through the course listing carefully before making your choices.

### **Registration**

Please indicate your choices on the registration form, found on the last page of the catalog. Select classes based on the grade your child **<u>completed</u>** this year. Return the registration form to your child's school office as soon as possible, as some classes have limited enrollment. Please be sure to select alternate classes where available. Students will be placed in classes with limited enrollment in the order in which their registration forms are received at school. Forms are due to your child's school office by March 10. Any additional submissions received after March 10th will be considered depending on available space.

### **Transportation**

Transportation will be provided from Lyndon Station Elementary June 12 - June 30 and July 10 - July 28. Students will be dropped off Mauston High School prior to 8:00 am. Students will be returned to Lyndon Station following the dismissal of classes at noon and lunch. Pick up will be at 7:20 am and drop off will be at 12:45 pm at Lyndon Station Elementary School. Otherwise, transportation is the responsibility of the family. The bus to/from Lyndon Station Elementary bus.

### **Class Location**

Classes will be held at Mauston High School unless otherwise noted.

### Summer Breakfast and Lunch Program: June 12 - June 30 and July 10-July 28.

Free breakfast and free lunch will be offered each day of Summer School. All students age 18 and younger residing in the Mauston School District are able to get free breakfast and free lunch each day. There are no forms to fill out. According to the guidelines of the grant, students must eat their meals in the lunchroom. They **cannot** "take it to go"! Lyndon students will have the opportunity to eat lunch before the bus leaves to take them back to Lyndon Station Elementary.

### **Confirmation of Classes**

A letter will be sent home with your student in early May confirming your child's Summer School classes. If you wish to drop a class, please call Diane Winker, Summer School Coordinator, at (608) 847-5616 ext. 2218.

### Olson Middle School Swimming Pool

The OMS pool is happy to bring back swimming lessons to students of all ages. We are looking to offer a morning session from 9am-noon and another afternoon session from 3pm-6pm. Lessons will run in three separate sessions for each month of the summer. Parents and students can sign-up during the month of May. Look for details about sign-up and registration for swimming lessons or swimming team either on the OMS pool facebook page as well as the OMS community pool webpage at <a href="http://www.maustonschools.org/parents/pool.cfm">http://www.maustonschools.org/parents/pool.cfm</a>. Flyers will be sent home to all students in grades K-5 during the month of May with a more detailed schedule.

For more information on other opportunities, please contact the Pool Director, Kyle Ewing: kewing@maustonschools.org.

# **Summer School Course Descriptions**

SESSION 1 (June 12 - June 30)

### ELEMENTARY LEVEL ENRICHMENT COURSE DESCRIPTIONS

Below are the course descriptions for each of the courses being offered during the first session, listed by the subject area. New courses for this summer are designated with \*NEW\* by the title.

### **Reading Enrichment - Session 1**

# R03	Magic Tree House Summer Club	Grades 1, 2, 3	10:00 am- 11:00 pm		
Take part in wonderful, magical adventures from the Magic Tree House series. Join Jack and Annie as they solve problems, help people, and travel through time. You will learn through hands-on arts, crafts, games, writing, and other activities based on the theme of each book we study.					
# R04	Readers' Theater	Grades 1, 2	11:00 am - 12:00 pm		
Lights, camera, script! Students will read a variety of plays and skits. They will work on using expression and emotion while they read their parts. They will work as a team to put together a short production for an audience.					
Math Enric	chment - Session 1				
# M02	Math Marvels	Grades 1, 2	10:00 am - 11:00 am		
	Students will reinforce their skills in place value, addition, subtraction, time, money, and problem solving. This will be done using a variety of hands-on activities and games.				
# M03	Math Games	Grades 1, 2,	11:00 am - 12:00 am		
Math is more than just classroom work. It can be a fun, educational experience of interacting with other students while reinforcing the basic math skills through Everyday Math games, board games, card games, Internet/iPad, and outdoor activities.					
Science E	nrichment - Session 1				
# S02	A Bug's Life	Grades 1, 2	8:00 am - 9:00 am

Food is more than just for eating. Food snacks will be used as manipulatives for math, and the focus in art projects, writing themes, and problem solving. Held at Grayside

### **End of Session 2 Elementary Courses**

### **Support Courses for Reading and Math**

# \*\* The following Reading and Math courses are offered <u>only by referrals from the student's</u> <u>teacher</u>, based on student achievement measures, classroom data, and teacher recommendation.

Does your student need extra support with Math Concepts or Reading Skills? We can give them what they need to be successful in Reading and Math next school year. These courses will help students with the concepts <u>they</u> need, and <u>their</u> level. Our teachers will work with small groups to give students just what they need to achieve their goals in Reading and Math!

Reading and Math Classes for Grades 1-5 will be held for **All 6 Weeks** of Summer School, From June 12 - June 30 and July 10 - July 28. There will be **no** classes July 3-8. All courses will be held at the Mauston High School.
