

# Eagle Exploration!

Session 1 June 12-30, Session 2 July 10-28

Catalog of Summer School Classes And Activities

Diane Winker, Summer School Coordinator

Registration Due March 10 to your school office!

This catalog contains the Summer School course offerings for the students in Pre-Kindergarten through Grade 12. There is a wide variety of opportunities in curricular areas such as Reading, Math, and Science. Also many enrichment opportunities are offered. Please read through the course listing carefully before making your choices.

### **Registration**

Please indicate your choices on the registration form, found on the last page of the catalog. Select classes based on the grade your child **completed** this year. Return the registration form to your child's school office as soon as possible, as some classes have limited enrollment. Please be sure to select alternate classes where available. Students will be placed in classes with limited enrollment in the order in which their registration forms are received at school. Forms are due to your child's school office by March 10. Any additional submissions received after March 10th will be considered depending on available space.

### **Transportation**

Transportation will be provided from Lyndon Station Elementary June 12 - June 30 and July 10 - July 28. Students will be dropped off Mauston High School prior to 8:00 am. Students will be returned to Lyndon Station following the dismissal of classes at noon and lunch. Pick up will be at 7:20 am and drop off will be at 12:45 pm at Lyndon Station Elementary School. Otherwise, transportation is the responsibility of the family. The bus to/from Lyndon Station Elementary is the only bus.

### **Class Location**

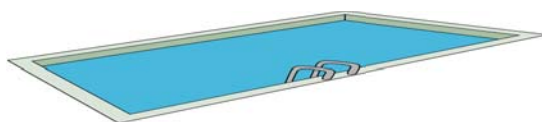

Classes will be held at Mauston High School unless otherwise noted.

### **Summer Breakfast and Lunch Program:** June 12 - June 30 and July 10-July 28.

Free breakfast and free lunch will be offered each day of Summer School. All students age 18 and younger residing in the Mauston School District are able to get free breakfast and free lunch each day. There are no forms to fill out. According to the guidelines of the grant, students must eat their meals in the lunchroom. They **cannot** "take it to go"! Lyndon students will have the opportunity to eat lunch before the bus leaves to take them back to Lyndon Station Elementary.

### **Confirmation of Classes**

A letter will be sent home with your student in early May confirming your child's Summer School classes. If you wish to drop a class, please call Diane Winker, Summer School Coordinator, at (608) 847-5616 ext. 2218.

### **Olson Middle School Swimming Pool**

The OMS pool is happy to bring back swimming lessons to students of all ages. We are looking to offer a morning session from 9am-noon and another afternoon session from 3pm-6pm. Lessons will run in three separate sessions for each month of the summer. Parents and students can sign-up during the month of May. Look for details about sign-up and registration for swimming lessons or swimming team either on the OMS pool facebook page as well as the OMS community pool webpage at <http://www.maustonschools.org/parents/pool.cfm>. Flyers will be sent home to all students in grades K-5 during the month of May with a more detailed schedule.

For more information on other opportunities, please contact the Pool Director, Kyle Ewing: [kewing@maustonschools.org](mailto:kewing@maustonschools.org).

# Summer School Course Descriptions

## SESSION 1 (June 12 - June 30)

### ELEMENTARY LEVEL ENRICHMENT COURSE DESCRIPTIONS

Below are the course descriptions for each of the courses being offered during the first session, listed by the subject area. New courses for this summer are designated with \*NEW\* by the title.

#### Reading Enrichment - Session 1 (K-5)

**# R01**      **Rhyme Time**      **Kindergarten**      **10:00 am - 11:00 am**

This summer, the students will enjoy reading together popular rhyming books and poems. They will look at the common parts of the books and have fun discovering all the rhyming words. The students will create poems, rhyming stories, and a rhyming words book.

**# R02**      **Literature for Kindergarten**      **Kindergarten**      **11:00 am- 12:00 pm**

Let's read some stories! We will practice reading and listening to some really fun stories. We will practice writing our own stories, too!

**# R03**      **Magic Tree House Summer Club**      **Grades 1, 2, 3**      **10:00 am- 11:00 pm**

Take part in wonderful, magical adventures from the Magic Tree House series. Join Jack and Annie as they solve problems, help people, and travel through time. You will learn through hands-on arts, crafts, games, writing, and other activities based on the theme of each book we study.

**# R04**      **Readers' Theater**      **Grades 1, 2**      **11:00 am - 12:00 pm**

Lights, camera, script! Students will read a variety of plays and skits. They will work on using expression and emotion while they read their parts. They will work as a team to put together a short production for an audience.

**# R05**      **Percy Jackson Book Club**      **Grades 3, 4, 5**      **9:00 am - 10:00 am**

Students will read and share excerpts from Rick Riordan's books as well as learn about mythological characters and Ancient Greece. We will prepare projects and reports based on the information learned.

#### Math Enrichment - Session 1 (K-5)

**# M01**      **Number Fun Kindergarten**      **Kindergarten**      **9:00 am- 10:00 am**

What a fun way to learn math! Kindergarten students will have the opportunity to reinforce basic number sense applications through hands-on activity, games, and direct instruction.

**# M02**      **Math Marvels**      **Grades 1, 2**      **10:00 am - 11:00 am**

Students will reinforce their skills in place value, addition, subtraction, time, money, and problem solving. This will be done using a variety of hands-on activities and games.

**# M03**      **Math Games**      **Grades 1, 2,**      **11:00 am - 12:00 am**

Math is more than just classroom work. It can be a fun, educational experience of interacting with other students while reinforcing the basic math skills through Everyday Math games, board games, card games, Internet/iPad, and outdoor activities.

**# L03 Spanish is Fun! - 02 Grades 3, 4, 5 9:00 am - 10:00 am**

¿Hablas español? You soon will! In this class, students will learn Spanish through games, activities, and conversation. You will learn about likes/dislikes, weather, colors, animals, and lots more!

### **Health Enrichment - Session 1 (K-5)**

**# H01 Fun in The Sun Kindergarten 9:00 am - 10:00 am**

Let's get moving! We will learn some new games that will help us be good teammates and how to take turns. We will practice sharing and encouraging each other. Get ready for some Fun in the Sun!

**# H02 Fun and Games Grades 1, 2 8:00 am - 9:00 am**

This is an activity session that integrates cooperative games, nutritional activities, and a variety of other fitness activities. Come have some healthy Fun and Games!

**# H03 Fitness and Fun Grades 3, 4, 5 10:00 am - 11:00 am**

If you like movin' and groovin', this is the class for you. We'll be playing games and doing activities that will help you get physically fit while working on teamwork and having fun. You will also learn some healthy eating and lifestyle habits.

**# H04 Kids On The Move Grades 3, 4, 5 11:00 am - 12:00pm**

Let's get active! learn about the importance of exercise and health. We will work within the three elements of fitness: strength, endurance, and flexibility through aerobic and anaerobic exercise, games, obstacle courses, as well as stretching activities.

### **Technology Enrichment - Session 1 (K-5)**

**# T01 Learn Coding With Robots 01 Grades 3, 4, 5 9:00 am - 10:00 am**

Robotics, video games, and online gaming sites are created through computer programming also known as coding. In this class will learn simple programming language as well as drag and drop programming. You will be using coding sites, coding programs and Spheros to practice your coding skills. If you enjoy challenge then this class is for you.

**#T02 \*NEW\* Keyboarding Grades 2, 3, 4, 5 8:00 am - 9:00 am**

This course provides an opportunity for students to learn and practice keyboarding, proper hand positions, speed, and accuracy skills while having fun.

**#T03 \*NEW\* Digital Photography Basics - 01 Grades 1, 2 8:00 am - 9:00 am**

Interested in taking photos? Learn the basics of digital photography as well as photography basics, such as framing, lighting, exposure. Along with how to take photos, we will learn how to manipulate photos using editing programs.

**#T04 \*NEW\* Digital Photography Basics - 02 Grades 3, 4, 5 9:00 am - 10:00 am**

Interested in taking photos? Learn the basics of digital photography as well as photography basics, such as framing, lighting, exposure. Along with how to take photos, we will learn how to manipulate photos using editing programs.

## Daily Living Enrichment- Session 1 (K-5)

**# D01**      **Read it and Cook it**      **Kindergarten**      **10:00 am - 11:00 am**

This summer, the students will enjoy reading together popular picture books about food. They will look at the common parts of the books and have fun cooking a recipe related to the book. The students will create a simple recipe book with picture clues.

**# D02**      **Let's Cook!**      **Grades 1, 2**      **9:00 am - 10:00 am**

We're going to cook up a storm of fun! Your child will learn to read recipes, use measuring cups and spoons, mix ingredients, and importantly, the safety involved with cooking. We will read several stories in connection with foods.

**# D03**      **Food for Thought**      **Grades 1, 2**      **9:00 am - 10:00 am**

Food is more than just for eating. Food snacks will be used as manipulatives for math, and the focus in art projects, writing themes, and problem solving.

**# D04**      **Cooking Around the World \*\* 2 Hour Course\*\***      **Grades 3, 4, 5**      **10:00 am - 12:00 pm**

Do you like to cook or would you like to learn to cook different types of food? Students will learn basic cooking skills. Students will work together to follow a simple recipe. They will make and sample favorite dishes, snacks, or desserts from different countries around the world.

**# D05**      **\*NEW\* Family Game Night!**      **Grades 1, 2, 3**      **10:00 am - 11:00 am**

Tired of your child always being on his/her electronic? This course will introduce students to friendly family card and board games. The instructor will bring some games and students may share their favorite games as well.

**End of Session 1 Elementary Courses**

## **Session 2 (July 10 - July 28) Elementary Course Descriptions**

Below are the course descriptions for each of the courses being offered during the second session, listed by the subject area. New courses for this summer are designated with \*NEW\* by the title.

### **Pre-Kindergarten - Session 2**

<b># P01</b>	<b>School Safari</b>	<b>Pre-K</b>	<b>8:00 am - 12:00 pm</b>
--------------	----------------------	--------------	---------------------------

**(For children who will be entering the 5-year old Kindergarten class in the Fall of 2017.)**

Jumpstart your school year with some fun! Children will have a chance to explore the world around the through dramatic play, literature, songs, crafts, and hands on activities. Come learn about jungle animals, backyard wonders, and the county fair. Class will be held for 3 weeks, Monday through Friday. Each day is a 4-hour block.

### **Reading Enrichment - Session 2 (K-5)**

<b># R11</b>	<b>Literature for Kindergarten</b>	<b>Kindergarten</b>	<b>8:00 am - 9:00 am</b>
--------------	------------------------------------	---------------------	--------------------------

Let's read some stories! We will practice reading and listening to some really fun stories. We will practice writing our own stories, too!

<b># R12</b>	<b>Rhyme Time</b>	<b>Kindergarten</b>	<b>10:00 am - 11:00 am</b>
--------------	-------------------	---------------------	----------------------------

This summer, the students will enjoy reading together popular rhyming books and poems. They will look at the common parts of the books and have fun discovering all the rhyming words. The students will create poems, rhyming stories, and a rhyming words book.

<b># R13</b>	<b>Reader's Theater</b>	<b>Grades 1, 2</b>	<b>9:00 am - 10:00 am</b>
--------------	-------------------------	--------------------	---------------------------

Lights, camera, script! Students will read a variety of plays and skits. They will work on using expression and emotion while they read their parts. They will work as a team to put together a short production for an audience.

<b># R14</b>	<b>*NEW* The Art of Writing</b>	<b>Grades 3, 4, 5</b>	<b>11:00 am - 12:00 pm</b>
--------------	---------------------------------	-----------------------	----------------------------

Do you want your child to develop or expand their love of writing while building greater confidence? Learn strategies and tricks to make writing fun and more creative? Explore all types of writing including narratives, fictional stories and poetic techniques. Learn to construct more complex sentences through the use of specific questioning. Word choice, including the use of adjectives and adverbs will be developed and strengthened along with the use of pictures and their surroundings to develop greater sensory word vocabulary.

### **Math Enrichment - Session 2 (K-5)**

<b># M11</b>	<b>Number Fun Kindergarten</b>	<b>Kindergarten</b>	<b>9:00 am- 10:00 am</b>
--------------	--------------------------------	---------------------	--------------------------

What a fun way to learn math! Kindergarten students will have the opportunity to reinforce basic number sense applications through hands-on activity, games, and direct instruction.

<b># M12</b>	<b>Magnificent Measurement</b>	<b>Grades 1, 2</b>	<b>8:00 am - 9:00 am</b>
--------------	--------------------------------	--------------------	--------------------------

Students will learn more about the many forms of measurement through creative hands-on activities, literature, and measurement games.

## **Social Studies Enrichment - Session 2 (3-5)**

**# SS11      Wild About Wisconsin!      Grades 3, 4, 5      10:00 am - 11:00 am**

Did you know that Hammerin' Hank Aaron began and ended his baseball career in Milwaukee, WI? Is it true that Prairie du Chien, WI, was once known as a national Pearl Capital? Learn some interesting and unique things about our state. We will create projects to show what we are learning. From Abbotsford to Wisconsin Dells, we will have lots of fun exploring places around our great state!

**# SS12      Wild About Our World!      Grades 3, 4, 5      11:00 am - 12:00 pm**

There are so many incredible and cool things about this planet we live on. Let's discover them together! Find out about other countries' customs, animals, and plants. We will create projects to show what we are learning. We will have lots of fun exploring how other cultures are similar and different to life in the Mauston area.

## **Fine Arts Enrichment -Session 2 (K-5)**

**# A11      Kindergarten Art      Kindergarten      11:00 am - 12:00 pm**

This class will give the students the opportunity of trying out different art materials to include painting, printmaking, puppets, and oil clay. Students will be exploring ways to make art and learning how to handle different materials correctly.

**# A12      Painting - 01      Grades 1, 2      8:00am - 9:00 am**

Students will be introduced to tempera, acrylic, and watercolor paint. They will learn about the different properties of each paint and the basic skills used in painting.

**# A13      Painting - 02      Grades 3, 4, 5      9:00 am - 10:00 am**

There are many different types of paint. The students in this course will use tempera, acrylic, and watercolor paints to explore a variety of subject matter.

**# A14      Basic Scrapbooking - 01      Grades 1, 2      10:00 am - 11:00 am**

Do you have pictures that tell a story? Students will create a simple paper scrapbook with pictures of you, a trip, your family, or an event you want to remember. You will learn to organize, trim, and matte pictures, journal to help your pictures tell the story, and decorate your book. You will need to supply 12-20 pictures on a similar topic. You may need to supply some basic scrapbooking decorations and supplies.

**# A15      Drawing - 01      Grades 1, 2      10:00 am - 11:00 am**

Drawing is the base of all art. Artists use drawings to plan their art works and sketch out their ideas. In this class, the students will work with drawing materials like charcoal, pastel, oil pastel, colored pencil, and markers. We will explore still life drawing, perspective drawing, and cartoon characters, just to name a few.

**# A16      Basic Scrapbooking - 02      Grades 3, 4, 5      11:00 am - 12:00 pm**

Do you have pictures that tell a story? Students will create a simple paper scrapbook with pictures of you, a trip, your family, or an event you want to remember. You will learn to organize, trim, and matte pictures, journal to help your pictures tell the story, and decorate your book. You will need to supply 12-20 pictures on a similar topic. You may need to supply some basic scrapbooking decorations and supplies.

**# A17          Voice Lessons \*\*2 Hour Course\*\*          Grades 3, 4, 5, 6, 7, 8          8:00 am - 10:00 am**

This is a class for beginners and advanced students. We will learn popular and choral music. Join us as we learn to sing as an individual and as a group. Develop your skills to become the next contestant on the Voice.

**# A18          Summer Musical \*\* 2 Hour Course\*\*          Grades 3, 4, 5, 6, 7, 8          10:00 am - 12:00 pm**

A class for all musical performer wannabe's! This class will teach you how to audition, practice, and perform in a musical. You will act, sing, create the set, and perform for an audience. Everyone will have a part in the musical. This will be a fun learning experience, and we will show off our skills with a performance for family and friends at the end! This year we will be performing: **Abacadabra Aladdin!**

### **Health Enrichment - Session 2 (K-5)**

**# H11          Fun In The Sun          Kindergarten          9:00 am - 10:00 am**

Let's get moving! We will learn some new games that will help us be good teammates and how to take turns. We will practice sharing and encouraging each other. Get ready for some Fun in the Sun!.

**# H12          Fun and Games          Grades 1, 2          8:00 am - 9:00 am**

This is an activity session that integrates cooperative games, nutritional activities, and a variety of other fitness activities. Come have some healthy Fun and Games!

**# H13          Kids On The Move 01          Grades K, 1, 2          10:00 am - 11:00 am**

Let's get active, learn about the importance of exercise and health, and set and reach goals! We will challenge and improve upon the three elements of fitness: strength, endurance, and flexibility through aerobic and anaerobic exercise, games, obstacle courses, as well as stretching activities.

**# H14          Kids On The Move 02          Grades 3, 4, 5          9:00 am - 10:00 am**

Let's get active, learn about the importance of exercise and health, and set and reach goals! We will challenge and improve upon the three elements of fitness: strength, endurance, and flexibility through aerobic and anaerobic exercise, games, obstacle courses, as well as stretching activities.

### **Technology Enrichment - Session 2 (K-5)**

**#T11          \*NEW\* Keyboarding          Grades 2, 3, 4, 5          10:00 am - 11:00 am**

This course provides an opportunity for students to learn and practice keyboarding, proper hand positions, speed, and accuracy skills while having fun.

### **Foreign Language Enrichment - Session 2 (K-5)**

**# L11          Spanish Is Fun! - 01          Grades K, 1, 2          9:00 am - 10:00 am**

Hola, amigo! Let's learn some Spanish! You will learn about the weather, food, colors, animals, and how to talk about likes and dislikes. We'll do a lot of hands-on activities, play games, and even eat food!

**# L13          Spanish is Fun! - 02          Grades 3, 4, 5          11:00 am - 12:00 pm**

¿Hablas español? You soon will! In this class, students will learn Spanish through games, activities, and conversation. You will learn about likes/dislikes, weather, colors, animals, and lots more!

## **Daily Living Enrichment - Session 2 (K-5)**

**# D11          Caring For Animals - A \*\*2 Hour Course\*\*          Grades K, 1, 2, 3, 4, 5          8:00 am - 10:00 am**

Students will learn to respect and show appropriate care of animals in our world. They will learn about common household pets, unusual pets, and animals that live wild around our area.

**# D12          Caring For Animals - B \*\*2 Hour Course\*\*          Grades K, 1, 2, 3, 4, 5          10:00 am - 12:00 pm**

Students will learn to respect and show appropriate care of animals in our world. They will learn about common household pets, unusual pets, and animals that live wild around our area.

**# D13          Read It & Cook It          Kindergarten          11:00 am - 12:00 pm**

This summer, the students will enjoy reading together popular picture books about food. They will look at the common parts of the books and have fun cooking a recipe related to the book. The students will create a simple recipe book with picture clues.

**# D14          Let's Cook!          Grades 1, 2          10:00 am - 11:00 am**

We're going to cook up a storm of fun! Your child will learn to read recipes, use measuring cups and spoons, mix ingredients, and importantly, the safety involved with cooking. We will read several stories in connection with foods.

**# D15          Food For Thought          Grades 1, 2          11:00 am - 12:00 pm**

Food is more than just for eating. Food snacks will be used as manipulatives for math, and the focus in art projects, writing themes, and problem solving. Held at Grayside

**# D16          Needlework \*\*2 Hour Course\*\*          Grades 3, 4, 5          10:00 am - 12:00 pm**

This class will teach you basic sewing skills and other needlework crafts, perhaps crocheting, knitting, or basic quilting techniques.

**# D17          Home Alone          Grades 3, 4, 5          10:00 am - 11:00 am**

Are you sometimes home alone? Do you feel safe while home alone? What do you do while home alone? This class will help the child gain confidence and responsibility in decision making and actions while home alone. The students will practice skills to acquire this responsible behavior, like Internet safety, simple cooking, answering the phone, etc.

**# D16          Chow Time! \*\*2 Hour Course\*\*          Grades 3, 4, 5          10:00 am - 12:00 pm**

Learn to make some easy recipes for snacks and simple dishes. You will have a cookbook to take home at the end of the session.

**# D17          From the Garden To the Kitchen          Grades 3, 4, 5          9:00 am - 10:00 am**

How do you save produce from your garden to enjoy in the winter? In this class, we will turn the strawberries into jam, the zucchini into chips, and the cucumbers into pickles. We will make salsa and much more! By following simple recipes, we will eat and preserve our produce from the Grayside Garden.

## **End of Session 2 Elementary Courses**

## Support Courses for Reading and Math

**\*\* The following Reading and Math courses are offered only by referrals from the student's teacher, based on student achievement measures, classroom data, and teacher recommendation.**

Does your student need extra support with Math Concepts or Reading Skills? We can give them what they need to be successful in Reading and Math next school year. These courses will help students with the concepts they need, and their level. Our teachers will work with small groups to give students just what they need to achieve their goals in Reading and Math!

Reading and Math Classes for Grades 1-5 will be held for **All 6 Weeks** of Summer School, From June 12 - June 30 and July 10 - July 28. There will be **no** classes July 3-8. All courses will be held at the Mauston High School.

Course Number	Course Title	Course Time	Course Dates
WR1	Grade One WIN Reading	10:00 am - 11:00 am	June 12 - July 28
WR2	Grade Two WIN Reading	11:00 am - 12:00 pm	June 12 - July 28
WR3	Grade Three WIN Reading	8:00 am - 9:00 am	June 12 - July 28
WR4	Grade Four WIN Reading	9:00 AM - 10:00 am	June 12 - July 28
WR5	Grade Five WIN Reading	9:00: am - 10:00 am	June 12 - July 28
WM1	Grade One WIN Math	11:00 am - 12:00 pm	June 12 - July 28
WM2	Grade Two WIN Math	10:00 am - 11:00 am	June 12 - July 28
WM3	Grade Three WIN Math	9:00 am - 10:00 am	June 12 - July 28
WM4	Grade Four WIN Math	8:00 am - 9:00 am	June 12 - July 28
WM5	Grade Five WIN Math	8:00 am - 9:00 am	June 12 - July 28

## Additional Summer Offerings

These activities are offered outside of the summer school session. Please see descriptions on who to contact for more information.

### **ChallengeScape - Challenge Quest** **Grade 8** **June 5, 6, 7, 8, 9**

This class exposes students to an array of skills ranging from outdoor first aid and orienteering to rope work. Team building challenges and highly active games bring the students together encouraging trust and mutual respect. Adventurous but safely monitored experiences such as rappelling and canoeing build self confidence while giving them long standing memories. Additionally, the fact that so many ChallengeScape veterans return to volunteer as trainers and assistants is a huge testament to the longstanding impact of this program. See Mr. Shankle for more information and application. A written essay is part of the application process. Your application will be reviewed and approved for attendance by Mr. Shankle. Location H312 in OMS

**Time: 8:00 am – 12:00 Noon, 12:00 Noon – 4:00 pm (Eat lunch at school between classes.)**

### **Instrumental Music Instruction** **Grade 5** **TBA**

Band lessons for incoming 6th graders are a three week program, starting in late July and ending mid-August. They occur daily, Monday-Friday, for one-half hour in the OMS Band Room or at Lyndon Station Elementary School for those students that live in the Lyndon area. These lessons are mandatory for participation in 6th Grade Band during the school year.

**Time: see Mrs. Behling for times and dates**

### **Instrumental Music Instruction** **Grades 8-11** **TBA**

Students currently in grades 8-11 and who will be attending school in the fall at Mauston High School have the opportunity to participate in summer instrumental lessons and marching band.

**Time: see Mr. Spindler for times and dates**

### **GetFast Strength and Speed Conditioning** **Grades 9 - 11** **TBA**

You will learn general strength techniques, and speed and flexibility components. Get ready for fall sports and general overall fitness. Class offered by Mr. Ewing, Mr. Devoe, Mr. Gyllin and Mr. Lehman.

**Time: see teachers for hours and details**

### **ChallengeScape Expedition** **Grades 9 - 11** **TBA**

This class will have the students working individually and in small groups on problem-solving challenges facing them in the world around them. Challenges will include but will not be limited to low-ropes, outdoor sports, and orienteering. See Mr. Shankle for more information and application. A written essay is part of the application process. Your application will be reviewed and approved for attendance by Mr. Shankle. The trip date is TBD

### **Summer School Classroom Aide** **Grades 9 - 11** **June 12 - July 28**

A 0.25 elective credit will be earned by students interested in assisting an instructor in the classroom during elementary summer school. Student must have at least a "C" average and commit to attending daily in the classroom where they are placed. Students must enjoy working with young children and have their own transportation to and from the High school campus.

**Time: 8:00 am – 12:00 Noon**

**Pre-AP English Literature and Composition****Grades 9 - 11****TBD**

This class immerses students in novels, plays, poems, and short stories from various literary periods. Students will read and write daily, using a variety of multimedia and interactive activities, interpretive writing assignments, and class discussions to assess and improve their skills and knowledge. The course prepares students for AP Literature and Composition, the AP exam, and for further study in creative writing, communications, journalism, literature, and composition. Class offered by Mrs. Saylor. Held at MHS.

**Time: to be determined, as it coordinates with students' work/sports schedules, but 1.5 hours per day.**

**\*NEW\* College Algebra****Grades 9-11****TBD**

Last chance algebra skills found here! This course is designed to give students a refresher in algebra, geometry, and statistics. Students will learn mathematics through problem based learning in the format of a college algebra course. Deeper understanding and recall of skills will be required and taught so that they can be utilized in the real world. Problem solving strategies will be used to answer questions from a wide range of applications. Class offered by Mr. Andreason. Held at MHS. Please contact Mr. Andreason for more information.

**Time: to be determined, as it coordinates with students' work/sports schedules, but 1.5 hours per day.**

**Credit Recovery****Grades 9-12****June 12-23**

MHS summer school will be June 12th -June 23rd. The hours will be from 9-3 and will be held in iLEAD. Joanne Casey will be the lead teacher. Karen Mead will work with Joanne to ensure families are aware of opportunities for students to remediate credits.
