

Join the Program Designed for Easier Diabetes Management

The Livongo for Diabetes Program fits with your life and helps keep you on track. It's offered at no cost to you and your family members with diabetes and covered under the WEA Trust plan.

Livongo Connected Meter

Your Livongo meter uses cellular technology to automatically upload readings and provide you with real-time personalized tips.

Real-Time Support

Livongo coaches are Certified Diabetes Educators available anytime you have questions – from nutrition to lifestyle changes.

Unlimited Strips at No Cost

Your membership includes unlimited strips and lancets at no cost. When you run out, we ship more supplies right to your door.
