### Job Description:

The School District of Mauston is seeking candidates for a Science Teacher at Olson Middle School starting with the 2025-2026 school year. The primary teaching responsibilities will be 6th & 7th grade. We use OpenSciEd for curriculum. The successful candidate will engage middle level students through Three Dimensional Learning in the four science domains: the physical sciences, the life sciences, the earth and space sciences and engineering, technology and applications of science. Lessons will develop student practices in science by helping students develop the behaviors that scientists use as they investigate and build models about the natural world and the key set of engineering practices that engineers use. The selected candidate will work to plan high-level, creative, engaging, and relevant science lessons.

### Qualifications:

In addition to being licensed or having the ability to be licensed, candidates must be able to communicate effectively with students and parents using the most current technologies, including the Google Suite. Candidates must be able to maintain a safe, respectful classroom environment and work to make a positive and substantial contribution to the school and district. Knowledge and training using the NGSS standards, personalized learning, and PBIS, as well as an ability to integrate technology in instruction, are a plus. Must pass a background check and drug screen upon offer of employment.
