

# EAGLE AFTER SCHOOL PROGRAM

April 2025 Newsletter

## **Spring is in the Air**

As the days grow longer and the temperatures rise, the Eagle After School Program is bursting with excitement for spring!

One of our most exciting spring projects is hatching chicks with Juneau County 4H! Students will have the unique opportunity to observe the hatching process and learn about the life cycle of chicks. Thank you to Juneau County 4H for your continued support!

## **Swimming**

With the rising temperatures, we are thrilled to announce more swim nights at the Mauston Community Pool! These fun-filled evenings are a great way for students to stay active and enjoy time with friends. Be sure to keep an eye out for our weekly swim date reminders!

## **Looking Ahead**

EASP has two events coming up in May that you won't want to miss:

- May 13 EASP Family Fun Night – Fairy Garden Party: This magical evening will bring families together for a night of creativity and fun! New this year, families will have the opportunity to register for EASP at the event and secure their child's spot for next year. Don't miss out on this special chance to plan ahead!
- May 29 EASP Student Carnival Party: EASP students will enjoy a night of games, laughter, and celebration as we close out the school year with our annual Carnival Party! More details will be shared in next month's newsletter.
