SCREENAGERS: Growing Up in the Digital Age

Follow-up

Having weekly, short, calm conversations with your children about tech is important..

Visit this website for tools and tips for discussions: www.screenagers.movie.com/teck-talk-tuesdays

4 BASIC RULES to consider

1. No screens in the bedroom when kids go to sleep.

2. Set time goals for studying without multitasking, and then, take tech breaks.

FACT: Multi-tasking is linked to less retention and poorer academic outcomes

3. Eat dinner without the devices.

FACT: Face to face conversations improve mood

4. Put phones and other devices away in the car. FACT: More than 50% of kids report seeing their parents text while driving

Stay involved and feel free to contact your child's teacher with any questions or concerns.

Ask your children about school and encourage them to talk about their day.

Do not talk negatively

about your child's teacher Read with your or school. child every night.

Make sure your child is getting plenty of sleep and is ready for school each day.

Help your child Teach your children to with his/her homework every night.

be responsible for their actions and their schoolwork.
