## ATTENDANCE MATTERS...

The Eagle After School Program is funded through a grant. The grant requires regular attendance to guarantee program funding.

**Regular Attendance = 4 or more days/week**

## NO TOY ZONE

Please help us to make sure that toys from home stay at home. We have LOTS of fun things for children to do and play with @ the EASP.

EASP PROMISE = NO BORED KIDS

## NO PHONE ZONE

Student cell phones should stay in student backpacks until the end of the program day.

## PLAN AHEAD....

**We hope it doesn't happen, but if it does, families should have a plan.**

**There may be a time that we need to shift our approach for offering**

**Eagle After School Programming**

**depending on the status of COVID-19 in our community and the guidance we**

**receive from the Juneau County Health Department.**

**This could effect an individual classroom, a building or our entire program.**

**See you through your  
windshield**

**Please call or text to pickup EASP Students**

**West Side Students**

**608-350-9058**

**Grayside Students**

**605-350-8215**

**Lyndon Station Elementary Students**

**608-350-8064**

**Do you have any**

**Hatch Public Library books**

**at home?**

The Eagle After School Program has a number of books overdue from last year ... Please take a look around the house, and especially in kids' rooms, to see if there are any books that belong to Hatch Public Library. To return them, just send the books to school and the EASP will return them to the library.

**Thank you!**

## NATIONAL UNIVERSITY

Dear Families:

Fulfilled, happy, confident, responsible, kind, and loving. We have learned that these are goals families want for their children, and as teachers, what we want for our students.

We recognize that as a family member, you are our students' first teacher and we want to partner with you to help our children become tolerant, compassionate, and caring adults. To support achieving these goals and to help our students build their social-emotional skills, we are pleased to share that we are implementing Sanford Harmony in our Eagle After School Program.

This social emotional learning program has been made available through the generosity of entrepreneur and philanthropist, T. Denny Sanford. Mr. Sanford selected National University to disseminate Sanford Harmony at no cost to elementary schools and organizations throughout the United States.

Social emotional learning (SEL) helps children by promoting their health and emotional well-being and contributing to the prevention of violence, truancy, bullying, and substance abuse. In addition, SEL is associated with significant gains on academic achievement tests.

Sanford Harmony is designed to build healthy relationships among students by having them engage in activities that promote understanding and respect. Over the course of the five units listed below, students will enhance their abilities to learn, work, and spend time together.

- Diversity and Inclusion
- Critical Thinking
- Communication
- Problem Solving
- Peer Relationships

Information will be sent home periodically, sharing activities in each unit. You will find out more about Harmony Goals, Meet Up, Buddy Up, and other fun strategies being used in the classroom. We welcome your feedback. To learn more about Sanford Harmony please visit [sanfordharmony.org](http://sanfordharmony.org).

Thank you for your support!
