

# EASP February 2023 Newsletter

Nita M. Lowey 21st Century Community Learning Center

Hello Eagle After School Program Families,

Recently, we have had quite a few new students join the Eagle After School Program! We currently have 153 students enrolled in EASP! That is the highest enrollment number in the programs history!

This month we're highlighting the 1st grade EASP classroom! I hope you enjoy reading about this great group of students and staff!

Please continue to send outdoor gear with your child/children to school. The students love playing outside and get pretty upset when they don't have the right gear to participate.

It is very important that we're able to reach families at night in case of an emergency or illness. If you plan on being out of town or unavailable please make sure we have an emergency contact on file that we can reach. Our number one priority is safety!

As always, if you have any questions or concerns please don't hesitate to call or email.

Sincerely,

Stephany Georgeson
