Important Announcement!

EASP will be closed on the following dates in February:
February 10th, February 11th and February 15th

Dear EASP Families,

In the last few weeks we have had quite a few new students join the Eagle After School Program! We currently have 137 students enrolled in EASP!

Please continue to send outdoor gear with your child/children to school. The kids love playing outside and get pretty upset when they don't have the right gear to participate.

It is very important that we're able to reach families at night in case of an emergency or illness. If you plan on being out of town or unavailable please make sure we have an emergency contact on file that we can reach. Our number one priority is safety!

Like always please feel free to contact me with any questions, concerns, or comments.

Thank you,

Stephany Georgeson
