

EASP March/April 2024 Newsletter

Nita M. Lowey 21st Century Community Learning Center

Dear EASP Families,

Spring is in the air at the Eagle After School Program! With the arrival of spring, we are excited to announce a blossoming array of new and exciting activities at EASP!

Springtime Adventures Await

As the sunshine returns and the weather warms up, we're diving into spring-themed activities at EASP. Some of the activities we have planned include gardening, outdoor scavenger hunts, and spring themed arts and crafts. Be sure to check your child's backpack for all the spring themed treasures they will be excited to share!

Pool Party

The EASP Family Fun Night Pool Party was a huge success! Thank you to all the families that were able to attend! With the amount of positive feedback we received we have decided to host another EASP Pool Party in April. Stay tuned for more details!

Hatching Chicks with Juneau County 4-H

We are thrilled to share some egg-citing news! One of the most eagerly anticipated spring activity is our partnership with Juneau County 4-H to hatch chicks right here at the Eagle After School Program! This partnership not only provides an educational experience, but also a wonderful opportunity for our students to learn about the lifecycle of animals and the importance of caring for living creatures.

Team Extreme

This spring, we're thrilled to welcome another special guest to EASP. Brian Kenney from Team Extreme uses hands-on activities to engage students and capture their attention. Students will learn valuable skills on leadership, teamwork, and a can-do attitude!

Eagle Care

Are you in need of childcare during spring break or summer break? Eagle Care is a licensed daycare operated by the School District of Mauston. Registration is now open for summer care and spots are filling quickly! Please reach out if you have any questions about Eagle Care or need help registering.
