EMPLOYMENT OPPORTUNITY

Job Title: Mathematics Teacher

Posting Date: 6/2/26

Location: Olson Middle School

Hours of Work (%FTE): 7:45 AM - 3:45 PM (On School & Professional Development Days Only)

Pay Rate: Based on Qualifications & Experience

Anticipated Start Date: 2026-2027 School Year

Job Description:

The School District of Mauston is seeking candidates for the position of Olson Middle School Mathematics Teacher for the 2026-2027 school year. The successful candidate will understand current practices and methodologies in teaching mathematics through the Badger Math curriculum, as well as block schedules, differentiation, and collaboration across grade levels in the district, state, and national standards, authentic assessment, technology integration, and 21st-century skills.

One of the greatest joys in a medium-sized rural school is the opportunity to shape a program while having the ability to directly impact students across many academic, co-curricular, and extracurricular paths. Combined with an outstanding department and supportive staff, this opportunity would be a great way to start or continue a successful career in education. Potential for extra and co-curricular activities may be available.

Qualifications:

Candidates must be able to plan and prepare high-level, creative learning units that are engaging, relevant, address student needs, and are based on best practices for high school Mathematics instruction. Candidates need to be able to maintain a safe, respectful classroom environment and make a positive and substantial contribution to the school and district. Must pass a drug test and background check upon offer of employment.
