

# EASP November 2022 Newsletter

Nita M. Lowey 21st Century Community Learning Center

Hello Eagle After School Program Families,

As promised in last month's newsletter, the 4K EASP classroom is featured on the back of this month's newsletter. I think it's important that families get to learn more about the awesome staff that take care of their children each night and about all the fun that is happening in their EASP classrooms! Next month we will be featuring the Kindergarten room!

With the arrival of fall comes the start of swim team, basketball, wrestling, and more! Here at EASP, we feel it is very important for students to be involved in activities that interest them, so please reach out if you have any concerns about the EASP attendance requirement. I will work with families, so students can be involved in the activities that interest them and not lose their spot at EASP.

As always, if you have any questions or concerns please don't hesitate to call or email.

Sincerely,

Stephany Georgeson
