

EASP October 2023 Newsletter

Nita M. Lowey 21st Century Community Learning Center

Hello Eagle After School Program Families,

With the first month of school almost over, I'm happy to report we're off to a great start at EASP! Here is a glimpse of what we've been up to this week:

4K students: Had a blast making homemade butter!

Kindergarten students: Sharpened their math skills with math BINGO!

1st and 2nd graders: Had a special guest reader from the Hope House and have been learning about teamwork!

Grayside students: Celebrated National Comic Book Day by reading comic books and then creating their own comic books!

With the arrival of fall and it becoming dark earlier, we ask that families please have students enter their vehicles on the passenger side. Safety is our number one priority!

I'm excited to announce that the Eagle After School Program will be hosting the 2nd Annual Truck or Treat event on Monday, October 30th! More information will be coming out in the next couple weeks.

Are you interested in volunteering at EASP? Volunteering is a great way to see some of the awesome programming that we offer! There is no major time commitment required. You can sign up to read a book, lead a craft station, help a student with math facts, or do you have a special talent or hobby you would like to share? The students at EASP love special guests and we guarantee you will leave with a smile on your face! If you would like to discuss this further please call or email me.

As always, if you have any questions or concerns please don't hesitate to call or email.

Sincerely,

Stephany Georgeson
