

EASP October 2022 Newsletter

Nita M. Lowey 21st Century Community Learning Center

Hello Eagle After School Program Families,

Wow, how can the first month of school almost be over? This year we currently have 141 students enrolled in EASP between the grades of 4K -5th grade! We're off to a great start and the students are adjusting well to their new spaces.

With the arrival of fall and it becoming dark sooner, we ask that families please have students enter their vehicles on the passenger side. If that is not possible (car seats, etc.), please exit your vehicle to accompany your child (ren) to the driver's side. Safety is our number one priority!

EASP staff are energized and looking forward to a great year with your child (ren). This year, we will be highlighting a different classroom each month in our monthly newsletter. In November we will highlight the 4K room. I'm excited to share what they have been up to and for you to meet our amazing staff in the 4K room!

As always, if you have any questions or concerns please don't hesitate to call or email.

Sincerely,

Stephany Georgeson
