Community Learning Center

Hello EASP Families,

The first month of EASP has flown by! The students are doing a great job of learning and following the classroom expectations at EASP. Fall is here and the staff at EASP have been busy planning fun fall activities! I'm sure you will be seeing many pumpkins, leaves, and fall themed projects coming home in backpacks over the next few weeks!

The Eagle After School Program is designed to be an academically engaging program for the School District of Mauston's elementary students. We will be sending home a family and student survey later this month. We use the survey to help guide our programming. Our goal is to provide enrichment opportunities that your child/children are interested in!

Please don't hesitate to reach out to me with any questions or concerns!

Thank you,

Stephany Georgeson

Pick up Procedures

It is starting to get dark sooner, so please only text the EASP phone when you have arrived. We do not want students standing outside in the dark waiting for their ride. Safety is our number one goal!

EASP PROMISE = NO BORED KIDS

We're going to the Library!

Starting in October we will be taking small groups to the Hatch Public Library. Students will be able to check out books and participate in an activity provided by the staff at the library. More information will be sent home soon about this great opportunity!

Are you in need of before school care?

The School District of Mauston has opened a licensed daycare called **Eagle Care** and is now offering before school care from 6:30am until the start of school. If you have questions or would like to enroll your child/children please contact Stephany Georgeson @ 608-350-9058.

ATTENDANCE ANNOUNCEMENT!

Eagle After School Program is funded through a grant. The grant requires regular attendance to guarantee program funding. Please plan on attending 4 or more days a week.
