

# Eagle After School Program

September 2024 Newsletter

## What's Happening @ EASP

We're excited to share that our enrichment programming is already in full swing! From creative arts to engaging STEM projects, our students are diving into a variety of activities that spark their interests and creativity. Stay tuned for more updates on what's coming up—we can't wait to see what your children will accomplish!

### Calling All Volunteers!

We love volunteers! If you have some time to spare and would like to get involved, we would love to hear from you. Please reach out if you're interested in learning more about the volunteer opportunities at EASP.

### Important Dates

No EASP October 2

No EASP October 3

No EASP October 18

### Safety First!

Student safety remains our top priority, especially during pick-up times. Please remind your child to **stay on the sidewalk** and follow our designated pick up procedures. This helps ensure a safe and smooth process for everyone. We appreciate your cooperation in keeping our students safe!

### Attendance Reminder

As a reminder, our grant stipulates that students must attend the program at least three days a week to ensure continued funding and resources. Regular attendance not only benefits our program but also helps students make the most of their after-school experience. We appreciate your cooperation!
